

VILLA DEL CARDINALE

Once owned by **Princes Colonna**, the Villa is a historic 17th century residence surrounded by a centuries-old secular park. Perfectly set in the landscape of the **Lake of Castel Gandolfo**, it gives incomparable suggestions to every event, thanks to an extraordinary artistic and natural beauty, still perfectly preserved.

The **Villa del Cardinale**, immersed in a **secular park**, stands on a **Roman villa** whose remains are still evident: numerous columns, coats of arms of the **Roman era** are present throughout the property.

The complex consists of several buildings:
